While our vehicles have FULL COVER INSURANCE where applicable, the rates give you THREE options to choose from. Please choose from Option 1 rates, which have zero or the lowest insurance excess applicable (white), Option 2 rates which have standard insurance excess (grey), or option 3 rates, which have the lowest daily rate, but highest insurance excess (yellow).

A price per kilometer is charged for vehicle rentals of less than seven days, however you get 200 kilometers FREE per day if you rent for two to six days. Vehicles rented for seven or more days, are not charged per kilometer.

Please note that option 3 (three) insurance excess will be applied to all SA citizens. The zero rated insurance excess applies to overseas bookings only.
